United States Embassy Skopje Security Message for U.S. Citizens: Demonstrations in Skopje on March 9, 2017

The U.S. Embassy in Skopje informs U.S. citizens that a demonstration is expected to take place in front of the Government building on Ilindenska Blvd. at 5:00 p.m. The group “United for Macedonia” will gather to show their support for the “unitary character of the country.” The U.S. Embassy anticipates there will be approximately 6,000 people present.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.

Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security.
